1403- 1407

Software engineering

## PROFILE

Front-end Developer with +1 year of professional experience building real-world web applications. I enjoy turning ideas into clean and user-friendly interfaces and constantly improving my skills. I value writing maintainable code and being part of a team that builds meaningful products.

## WORK EXPERIENCE

### Tazmin Plus

Aban 1403 - Present

- Focused on clean UI, performance optimization, and maintainable code
- Collaborated with backend developers to integrate APIs and improve performance
